

# Love You More

## James William Hindle

You can make the sea turn purple  
You can make the seeds unfertile  
But you know you can never make me love you more  
    You can turn wine into water  
    Turn sadness into laughter  
But you know you can never make me love you more  
    Let the stars fall down, let the leaves turn brown  
So you know you can never make me love you more  
    Let the redwoods die, let the wells run dry  
So you know you can never make me love you more  
    You can make the sea turn purple  
    You can make the sea turn turtle

But you know you can never make me love you more  
    You can turn wine into water  
    Turn sadness into laughter  
But you know you can never make me love you more  
    Let the stars fall down, let the leaves turn brown  
So you know you can never make me love you more  
    Let the redwoods die, let the wells run dry  
So you know you can never make me love you more  
    Let the stars fall down, let the leaves turn brown  
So you know you can never make me love you more  
    Let the redwoods die, let the wells run dry  
So you know you can never make me love you more
