

You Get Me

Zoegirl

V1 Wonderful is what i perceived
this life would be
pain and problem free
but over time i found reality
and through it all i see
that you're the only one who gets me!Chorus I may be misunderstood cause I would and never fake it
you're the only one who understands my pain
cause you get me(you get me)
doesn't matter what they do,
what they think,
what they say
at the end of the day,
I'm ok anyway
cause Lord, you get meV2 No more tears it's a silent night
you've broken down all fears
cause you've invaded all of me
you know me better that i know my self
the key to my security
it you're the only one who gets me!(chorus)Bridge 1 I don't care what the world may say
i hear you call me by name
and I reach for you
reach for you
there is nothing that i'd rather do
than just worship you Lord,
I'm gonna worship you
worship you!!!! (i'm okay, i'm okay, i'm okay, i'm okay) Yeah (i'm okay, i'm okay, i'm okay, i'm okay, i'm
okay, i'm okay) yeah (i'm okay, i'm okay) Yeah (i'm okay, i'm okay, i'm okay, i'm okay!)ChorusBridge 2 (
with i'm okay's in the background)
you understand me so completely
now i am free cause lord you get me (repeat)
