

# Don'tcha Wanna

## Anastacia

If you had the chance I know you, surely would  
And anytime I want it baby, I could  
Said, you'd never saw it coming, did you, dear  
But you can't run from everything you fear  
Hey, don't you wanna fall in love? Don't you wanna, don't you wanna  
Don't you wanna fall in love with me?  
(Ahha yeah)  
(Oh baby, you and I)  
Don't you wanna, don't you wanna  
Don't you wanna fall in love?  
(Hey)  
(Why don't you push your precious pride aside?)  
Don't you wanna, don't you wanna  
Don't you wanna fall in love with me?  
(Hey yeah, oh yeah)  
(Don't you wanna)  
'Cause you can't let your whole life pass you by  
Ooh Sure that you ain't had nothing like, this before  
You can be the same if I give, anymore  
I don't wanna waste any of your, precious time  
But you won't have no choice but to be mine  
Baby, don't you wanna play it, on the line? Don't you wanna, don't you wanna  
Don't you wanna fall in love with me?  
(Yeah yeah yeah ooh)  
(Don't you wanna, ooh)  
Don't you wanna, don't you wanna  
Don't you wanna fall in love?  
(In love)  
(Don't you wanna fall in love?)  
Don't you wanna, don't you wanna  
Don't you wanna fall in love with me?  
(Hey yeah yeah yeah yeah)  
'Cause you can't let your whole life pass you by  
Ooh whoo ooh (You can't put nothing before your pride)  
I said nothing, nothing  
(But baby what I give)  
Whoo, you can lay your pride aside  
Whoo ooh Baby, don't you wanna fall in love with me?  
'Cause we can take it all night and I'll make you see

(Fall in love with me)  
But baby let me know, don't you wanna fall?  
Don't you wanna? Don't you wanna fall in love with me?  
'Cause we can take it all night and I'll make you see  
(Hey yeah hey)  
But baby let me know, don't you wanna fall?  
I wanna fall in love! Baby don't you wanna fall in love with me?  
Don't you wanna, don't you wanna  
Don't you wanna fall in love with me?  
'Cause we can take it all night and I'll make you see  
(I said fall in love with me)  
But baby let me know, don't you wanna fall?  
Don't you wanna, don't you wanna  
Don't you wanna fall in love?  
(Don't you wanna, don't you wanna?) Baby don't you wanna fall in love with me?  
Don't you wanna, don't you wanna  
Don't you wanna fall in love with me?  
'Cause we can take it all night and I'll make you see  
(Fall in love with me)  
But baby let me know, don't you wanna fall?  
Don't you wanna, don't you wanna  
Don't you wanna fall in love?  
(I wanna fall, I wanna fall, on you, on you, on you, on you, on you) Baby don't you wanna fall in love with me?  
Don't you wanna, don't you wanna  
Don't you wanna fall in love with me?  
'Cause we can take it all night and I'll make you see  
(Ooh ooh)  
(Whoo)  
But baby let me know, don't you wanna fall?  
Don't you wanna, don't you wanna  
Don't you wanna fall in love?  
(Yeah hey yeah) Baby don't you wanna fall in love with me?  
Don't you wanna, don't you wanna  
Don't you wanna fall in love with me?  
'Cause we can take it all night and I'll make you see
