Girls Like You

The Naked and Famous

[TOM:]
Run, whirlwind run
Further and further away
Into the sun
In 20 minutes
Everyone will remember you
when you're gone
(Ah-aaah...)
And your heart, is a stone
Buried underneath your pretty clothes
(ah-Ah-aaaah...)Don't you know people write songs about girls like you?What will you do when something stops you?
What will you say to the world?
What will you be when it all comes crashing
Down on you little girl?
(ah-Ah-aaaaaaah...)
What would you do if you lost your beauty?
How would you deal with the light?
How would you feel if nobody chased you?
What if it happened tonight?
(ah-Ah-aaaaaaah...)
How would you cope if the world decided to make you suffer for all that you were
How could you dance if no-one was watching and you couldnt even get off the floor
(Aahh-aaah...)
What would you do if you couldnt even feel, not even pitiful pain
(Ah-Ah-aahh...)
How would you deal with the empty decisions, eating away at the days
(ah-Ah-aaaaaaah...)Don't you know people write songs about girls like you?
About girls like you
(Aahh-aaah-AAhh-aaah...)
About girls like you
Don't you know people write songs about girls like you?
About girls like you
(Aahh-aaah-AAhh-aaah...)
About girls like you[ALISSA:]
Everything you say is fire
All the claims you lay you liar
Everything you say is fire
See it in the grey you crier[TOM & ALISSA:]

Don't you know people write songs about girls like you?
About girls like you
(Crier)
About girls like youEverything you say is fire
(Don't you know people write songs about girls like you?)
(About girls like you)
All the claims you lay you liar
(About girls like you)
