

I Want To See Him Smile

Larry Sparks

I can hardly wait till that day when I hear my Jesus say,
â€œWell down, come home my childâ•. While Iâ€™m living here
Below, Iâ€™m gonna work and Iâ€™m gonna show how much
I love him. I want to see him smile.

Chorus:

I want to see him smile, well done my child.
Youâ€™ve done your best come rest a little while.
The world of sin youâ€™ve overcome. Crown of life
you have won. Most of all I want to see him smile

Well Iâ€™ve had trouble Iâ€™ve had sorrow.
I donâ€™t worry about tomorrow for I know who hold my hand.
I know if I will do my best surely He will do the rest.
Heâ€™ll guide my way to that fair land.
