

# Over-rated

Gavin DeGraw

Take my home  
Take everything I own  
Take it, take control  
You will feel better  
You will feel whole  
You're so good  
You stopped me where I stood  
And let me look at love and I feel better  
Oh, I feel good I just want to give it all to you  
I want to share this with you  
Make you mine and mine will be all yours  
Whatever you want and more  
What I'm anticipating  
Everything else will be over-rated  
Baby, it's for you, it's all for you  
You speak kind Oh, if you were mine  
What would we be like?  
We would be liked  
We would be I just want to give it all to you  
I want to share this with you  
Make you mine and mine will be all yours  
Whatever you want and more  
What I'm anticipating Everything else will be over-rated  
Everything else will be over-rated  
Open up  
Let me fill your cup  
I can really pour it out  
It will be like I will be enough  
I just want to give it all to you  
I want to share this with you  
Make you mine and mine will be all yours  
Whatever you want and more  
What I'm anticipating  
Everything else will be over-rated Baby, it's for you  
Baby, it's for you  
Baby, it's for you  
Baby, it's for you, it's all for you
