

I Got to Find My Baby

Muddy Waters

I'm gonna search this town
From door to door
The love I crave
I can't find no more I got to find my baby
I declare I wouldn't no lie
I ain't had no real good loving
Since that girl said goodbye You know I hate to see the sun
Hurry to the west
'Cause I know my whole life's
Will be one solid mess I got to find my baby
I declare that ain't no lie
I ain't had no real good loving
Since that girl said goodbye Yes, ever since the day
That she said we were through
I've been nervous
And shook up too I got to find my baby
I declare I wouldn't no lie
I ain't had no real good loving
Since that girl said goodbye Yes, I don't care if it's the last thing
I ever do in my life
I'm gonna find that little girl
Make her my wife I got to find my baby
I declare I wouldn't no lie
I ain't had no real good loving
Since that girl said goodbye
