

# Christmas Waltz

[Mindy Gledhill](#)

Frosted windowpanes  
Candles gleaming inside  
Painted candy canes on the tree  
Santaâ€™s on his way, heâ€™s filled his sleigh  
With things, things for you and for me

Itâ€™s that time of year  
When the world falls in love  
Every song you hear seems to say  
Merry Christmas, may your new year dreams come true

And this song of mine  
In three-quarter time  
Wishes you and yours the same thing, too

Aaahum  
Ba ba ba ba  
Hadad da da da da da dum  
ba ba ba ba  
aaaahum ooo  
ba ba ba ba ooooo

And this song of mine  
In three-quarter time  
Wishes you and yours the same thing, too

Aaahum  
aahum
