Enough Is Enough

Tommy Castro

Enough is Enough Tommy Castro and the PainkillersYa push me too far and I'm gonna push back
Here come a train and it's on the fast track
S'Gonna be a revolution
Cause we gotta have a resolutionEnough is enough Enough is enough Enough is enough
Gotta rise up Enough is enough
Gonna give up 'cause Enough is enoughPlannin' a change and I'll tell you just why
Feel that my patience has just run dry
I've had enough of your lyin'
Can't you hear the people cryin'
Enough is enough Enough is enough Enough is enough
Enough is enough Now!InstThe one's at the top with all the money
They're just like a bunch of junkies
They're on a financial bender
Gotta keep chasing that legal tender.
Oh Enough is enough Enough is enough Enough is enough
Gonna rise up Enough is enough
Enough is enough I said Enough is enough Enough is enough
Gotta rise up People
