

# Loving You Is A Dirty Job But Somebody's Gotta Do

Bonnie Tyler

Girl: When the sky is falling and you're looking round  
For somewhere to hide  
Did you ever call out to someone  
Did you ever call out to me, I've never been gone-  
I've been right here by your side  
There ain't nothin' but clouds  
There ain't nothin' but clouds in your eyes

Why don't you believe it when you finally found the truth  
You've been drinking poison water from the fountain of youth  
Why don't you stop tearing up everyone you need the most  
You're so busy trying to get even  
You never even try to get close

I can't explain it away  
It doesn't make any sense  
To know what it's like  
I guess you gotta go through it  
It doesn't matter baby  
Loving you's a dirty job  
But somebody's gotta do it

Boy: There were times when we'd never fake it  
There were times when we'd always make it  
There were times when we'd take it to the limit  
And we'd never, never, ever leave each other alone  
We wee flesh and blood and bone  
There were times we had it all  
There were times we had it all

Both There were times when we took our chances  
alt : There were times we were damn good dancers  
There were times when we heard all the answers  
In the beating of the drummer  
And the riches of the rock and the roll  
I can see right through your soul  
There were times we had it all  
There were times we had it all

Boy: If your fears could only be forgotten

We could pull all the barriers down  
Would you follow your dream's desire  
Would you follow your secret dreams  
And forbidden fire  
Let's just peel out of this town

Both: It's been nothing but dreams  
It's been nothing but dreams until now  
Boy : You're never gonna see it  
Both: You got your head stuck in the sand  
Boy : It's the land of the free and easy street  
Girl: It's the home of the damned  
Boy : You're never gonna see it  
Both: You better open up your eyes  
Girl: You're the only one who's left  
Both: Who's gonna believe all your lies

Boy : I can't explain it away  
It doesn't make any sense  
Both: To know what it's like  
I guess you gotta go through it  
It doesn't matter baby  
Girl: Loving you's a dirty job  
But somebody's gotta do it

Boy : There were times when our bodies glistened  
There were times that we can't stop missing  
There were times that we'd lay in bed and listen  
Both: To the pounding, pounding chorus  
Of our desperate hearts  
Nothing could have torn us apart  
There were times we had it all  
There were times we had it all

Girl: There were times when we fought like tigers  
There were times we were damn good liars  
Boy : There were times we extinguished every fire  
Both: That was burning, burning, burning, up each other alive  
From the heavens on down to the dives  
There were times we lost it all  
There were times we lost it all

There were times when we fought like tigers  
There were times we were damn good liars

Both: There were times when our bodies glistened

There were times that we can't stop missing  
There were times that we'd lay in bed and listen  
To the pounding, pounding, chorus of our desperate hearts  
Nothing could have torn us apart  
There were times we had it all  
There were times we had it all
