# Down The Drain

## Msg (michael Schenker Group)

I'm staring down the drain
Of the sink in the bathroom, oh
In a cloud of pure cocaine
And I think what have I done, oh
If you ignore me, I swear I'll go insane
So kiss me like before the madness started
And hug me like before our love departed
Oh angel, do you wish we never started
I wish you could be my girl again
That's all I ever wanted
Oh, you could be my girl
I only ever wanted you
Yeah, you could be my girl again
That's all I ever wanted
And to God I swear
Oh God, I swear it's true
I'm staring down the drain
