

Your Friend

Jaci Velasquez

I don't wanna have to be your friend
I'm so tired of tryin' to be your friend
I don't wanna have to be your friend, no anymore
 What is happening my friend?
You see I use the term so loosely these days
 Seems we're headed towards the end
 Soon to be parting our ways
'Cuz you've never done a thing for someone else
 Unless you thought that you could help yourself
 And now the day is here when you have found
You finally need the help of someone else but they won't help
 'Cuz what you do, you know it's always just for you
 So I don't care about you anymore
 I don't wanna have to be your friend
 I'm so tired of tryin' to be your friend
 I don't wanna have to be your friend, no anymore
 When it really doesn't matter what I say
 'Cuz you're never gonna listen to me anyways
Well, I don't wanna have to be your friend, no anymore
 It seems you've fallen once again
 Like you've done a thousand times before
 And now you need a certain friend
 Someone you can count on
 But I don't wanna be the one who's always
 Gonna have to make it up to you
 And I don't wanna be responsible for all the stupid little
 Things you say and things you do
 'Cuz what you did, it seems you've messed up once again
 So I don't care about you anymore
 I don't wanna have to be your friend
 I'm so tired of tryin' to be your friend
 I don't wanna have to be your friend, no anymore
 When it really doesn't matter what I say
 'Cuz you're never gonna listen to me anyways
Well, I don't wanna have to be your friend, no anymore
 You call me late at night when things are not all right
 You need someone to get you through again
 You need a helping hand, someone who understands
 You're begging and pleading but this time I'm not dealing

'Cuz I walked this road with you too many times before
And I realize now that this is not what I want anymore

I don't wanna have to be your friend

I'm so tired of tryin' to be your friend

I don't wanna have to be your friend, no anymore

When it really doesn't matter what I say

'Cuz you're never gonna listen to me anyways

Well, I don't wanna have to be your friend, no anymore

I don't wanna have to be your friend

I'm so tired of tryin' to be your friend

I don't wanna have to be your friend, no anymore
