

Neuromancer

Billy Idol

Age of destruction
Age of oblivion
Age of destruction
Age of oblivionDiscovered love,
In the rancid days of ruin
My body's sweatin' toxins,
Of my own demiseOnly from space, can you see
How much earth is burning
Smokin' out the innocense inside
The childIt's the age of destruction
In a world of corruption
It's the age of destruction
And they hand us oblivionNeuromancer and I'm trancing
I'm the neuromancer--and I'm trancingMan wallows in his insatiable greed
More in the answer that sweats
From desparate palms
Turn on the lies, the secrets,
Of our desolation,
Or be smothered, by the red hot coreIt's the age of destruction,
In a world of corruption
It's the age of destruction
And they hand us oblivionThe neuromancer and I'm trancing
I'm the neuromancer and I'm trancing
I'm the neuromancer--i'm trancing
Trancing
Trancing
And I'm trancingDenied love in the age of ruin
Suicide toxins of my own demise
In cyberspace, you know how much
The earth ain't learning
Smoking out the man, inside the child--yeahIt's the age of destruction
In a world of corruption
It's the age of destruction
And they hand us oblivionThe neuromancer and I'm trancing
I'm the neuromancer and I'm trancing
Neuromancer--trancing
Neuromancer--trancing
Neuromancer--trancing
NeuromancerAge of destruction

Age of the neuromancer
Age of destruction
Age of oblivion
Age of destruction
Age of the neuromancer
