Be Your Man

Jesse Johnson

I don't wanna drive your car
I don't wanna dance
I don't want your diamond rings
I don't want your demands
You make me crazyYes, you're so divine, I want you all the time
Till no satisfaction, got to make you mineYou take me through changes
Love or let me go, oh, oh
I'm just the man for you, baby
I think you should know, oh, ohI wanna be your man, baby, oh, oh, oh
I wanna be your man, baby, oh, oh, ohI don't wanna take you out
Don't want you to go
I don't wanna hold your hand
?
You make me crazy, hornsDid you like that, baby
Can I do it one more time?
Everybody, baby, clap your hands
You wanna sing my lineYou take me through changes
Love or let me go, oh, oh
I'm just the man for you, baby
I think you should know, oh, ohI wanna be your man, baby, oh, oh, oh
I wanna be your man, baby, oh, oh, oh
I wanna be your man, baby, oh, oh, oh
I wanna be your man, baby, oh, oh, oh
Just stay tonightYou take me through changes
Love or let me go, oh, oh
I'm just the man for you, baby
I think you should know, oh, ohI wanna be your man, baby, oh, oh, oh
I wanna be your man, baby, oh, oh, oh
I wanna be your man, baby, oh, oh, oh
I said, I wanna be your man, baby, oh, oh, oh
Break it downEverybody, everybody break it
Hit me, everybody c'mon
Everybody, baby
