

With You

Jon Young & J. Cash

Girl Im stickin withchu
I hope that's cool
Cause I just aint the type
To be needin them tooYou're all I need
I dont need two or three noGirl Im stickin withchu
I hope that's cool
Cause I just aint the type
To be needin them tooYou're all I need
I dont need two or three noMy friends dont understand
Why Im withchu all the time
I guess they havent found A dime
One that blows they mind
They talkin bout lets hit the club
It's goin down tonight
A booty shake contest
And A mud pit fightBut I aint the type
To want A chick like that
Especially when I found
A girl that's fly and got my backYea them dudes droolin over
All the chicks on stage
But when they get em
And they cheatin then they act amazedYou cant tie A girl down
That you met at A bar
Cause chances are that's where they are
Everytime Y'all apart
So I'ma pass on the invitation
I got A fly chick
No need to look any further
My search Is over withGirl Im stickin withchu
I hope that's cool
Cause I just aint the type
To be needin them tooYou're all I need
I dont need two or three noGirl Im stickin withchu
I hope that's cool
Cause I just aint the type
To be needin them tooYou're all I need
I dont need two or three noAll I need Is my shawty
All I need is my girl
I dont need no other chicks

Cause you are my world(2)
If ya need me I'll be with her
I just cant get enough
I'll put my music on hold
Just to go and pick her upFrom work I love spendin time
I love her by my side
I want her next to me
When I go to sleep at nightIt feels so right everytime we lock lips
Everytime we hold hands
I know this Is what love isIts been A year now
The year just flew by
That's how I know
That I wanna spend my whole lifeWith my shawty I couldn't ask for betta
It's like Im high
Ever since we first got togetherDont need no weed no brew
Because I gotchu
Forever me and you
Let me know If that's coolGirl Im stickin withchu
I hope that's cool
Cause I just aint the type
To be needin them tooYou're all I need
I dont need two or three noGirl Im stickin withchu
I hope that's cool
Cause I just aint the type
To be needin them tooYou're all I need
I dont need two or three noAll I need Is my shawty
All I need is my girl
I dont need no other chicks
Cause you are my worldAll I need Is my shawty
All I need is my girl
I dont need no other chicks
Cause you are my worldGirl Im stickin withchu
I hope that's cool
Cause I just aint the type
To be needin them tooYou're all I need
I dont need two or three noGirl Im stickin withchu
I hope that's cool
Cause I just aint the type
