

Too Late

Darion Ja'Von

What a day
How did I get here?
A bit amazing to me
I see my fears along this wall
Iâ€™m going insane
And I canâ€™t escape
When I think of your face
I feel the pain
Do you feel the same way I do baby
Iâ€™m wondering
Guess thereâ€™s things in life that weâ€™ll just never understand
Because I want you when I need you right now
But itâ€™s too late
I guess Iâ€™m tooâ€¦
I know Iâ€™m too late
Late
Is it too late?
I guess itâ€™s too late
Too late

I cannot erase your lips and the way that they taste
Cause I want you
And Iâ€™ve tried everything to fill this empty space
But nothing can replace the things you do
Iâ€™m running out of air
Iâ€™m drowning and Iâ€™m sinking
Itâ€™s getting harder to breathe down air
And I canâ€™t believe I let you slip away
My biggest mistake
Do you feel the same way I do baby
Iâ€™m wondering
Guess thereâ€™s things in life that weâ€™ll just never understand
Because I want you when I need you right now
But itâ€™s too late
I guess Iâ€™m tooâ€¦
I know Iâ€™m too late
Late

If I can turn back the hands of time
If only I can fresh rewind
If I could do it all over again
I would never never let it happen
I would never let you go
I would never let you say no
I would never let you say no
Much too late
Late
Late
Is it too late?
