Alone Tonight

Emerson Drive

I know UR not right for me
UR not who U claim 2 B
Right now, I don't care
Cause it won't get us anywhere
And I like just what I see
I don't wanna B alone 2night
I don't wanna B alone 2night
I am givin' in without a fight
'Cause I don't wanna B alone 2night

U know what U gotta say
How 2 take my breathe away
Don't ask how I feel
It's so good it can't B real
But you can't win if U don't play
I don't wanna B alone 2night
I don't wanna B alone 2night
I am givin' in without a fight
'Cause I don't wanna B alone 2 night
