Money Makes the World Go Round

R. Kelly

QB, Chi town
Money makes the world go round
Money makes the world go round
Money makes the world go round
TMYo, for those who live the way that I live
We came a long way
From wiping coal outta eyelids to rap's hottest
Fake Gazelles to black PradasSelling nicks to trey bags to making hits like Kidada Jones' father
OG's would send me to the store with a dollar
Hit me with some wise advice for me to follow
Ain't nothing free in the world in lifeNo matter who you are, everybody got their price
And some cost more than others
When you poor, it's like life ain't even worth living
But when you rich, it's every fat ass worth hittin'With no chips, your drawers just stay on your hips
I play with the six 'cuz money make the whole world spin
But without the franklin faces, you see who's your real friends
It's V-12's, honeys on the cell, bobbin' out the JBL, it's Nas and R. KellNever thought that I'd ever live this life
Money stacked in rolls, honeys on each side
Anything I want, I can say it's mine
No more worries 'bout how can I provideMoney makes the world go round
You believe it if you want to
Money makes the world go roundMany say it's wrong 'cuz I love to spend
Ice in everything countin' Benjamin's
All I wanna do, try and let you know
If you don't believe, ask someone who's brokeMoney makes the world go round
You believe it if you want to
Money makes the world go round
Yes, it doesSaid, money makes the world go round
Nothing but the money makes the world go round
Yes, it doesFeels so good, yeah, yeah
(So good, this life I finally live)
And it feels so real, oh, freedom
(So real this freedom I finally feel)
Show me the moneyMoney makes the world go round
You believe it if you want to
Money makes the world go roundSaid that almighty dollar
Money makes the world go round
Yes, it doesThis brother's got to have it
From sun up till the sun goes down

(Money makes the world go round)
Yeah, so much money(Money makes the world go round)
Much money, much money
Hey, it makes the world go round, yeah
(Money makes the world go round)Show me a man that don't need money
(Money makes the world go round)
And I'll show you a world standing still, oh
(Money makes the world go round)Yes, it does, talking 'bout the loot
(Money makes the world go round)
