Mathilda

Jerry Lee Lewis

My love for you will always be
Just a faded memory
Yes I've cried and cried for you
Yes no matter what you doYou gave me love when there was none
You know you're the only one
Yes I've cried and cried in vain
I want my baby back againMathilda I've cried and cried for you
Oh no matter what you do
Yes I've cried and cried in vain
I want my baby back againOh Mathilda I've cried and cried for you
You know, darlin', no matter what you do
Yes I've cried and cried in vain
Lord I want my baby back again
Come on home baby!
