

I Love the Way You Love Me

Boyzone

I like the feel of your name on my lips
And I like the sound of your sweet gentle kiss
The way that your fingers run through my hair
And how your scent lingers even when you're not there
And I like the way your eyes dance when you laugh
And how you enjoy your two-hour bath
And how you've convinced me to dance in the rain
With everyone watching like we were insane
But I love the way you love me, oh, baby
Strong and wild, slow and easy
Heart and soul, so completely
I love the way you love me
And I like the sound of old R&B
And you roll your eyes when I'm slightly off key
And I like the innocent way that you cry
From sappy old movies you've seen thousands of times
But I love the way you love me, oh, baby
Strong and wild, slow and easy
Heart and soul, so completely
I love the way you love me
So listen to me now
And I could list a million things
I'd love to like about you
But they all come down to one reason
I could never live without you
I love the way you love me, oh, baby
Strong and wild, slow and easy
Heart and soul, so completely
I love the way you love me
I love the way that you love me
