Lost In A Portrait

Trapt

I analyze everything, I know what you mean
I answer by questioning all that I need
And I want to, to surrender
I want you to see all the sides
All the faces inside of meI see I'm not perfect, but that's all I see
Lost in a portrait, in a picture of me
This can't be everything I see
That my canvas is incomplete
Your color's everything to me
And my canvas will set me freeMy outline is solid and made up of crime
And the things that you say just burn in my eyes
I want to, to surrender
I want you to find some comfort
In the spaces between the linesI see I'm not perfect, but that's all I see
Lost in a portrait, in a picture of me
This can't be everything I see
That my canvas is incomplete
Your color's everything to me
And my canvas will set me free
This can't be everything I see
That my canvas is incomplete
Your color's everything to me
