

Famous

Mason Ramsey

Don't get me wrong, it's pretty cool to be on T.V
So all the folks back home can see me
And then I'm livin' it out
All the things I used to dream about
Yeah, it's pretty great, the playin' on a stage
Proud 'cause there ain't an empty seat in the place
But, girl, ever since I met you
I got a whole new perspective If I'm gonna be famous for somethin'
I wanna be famous for lovin' you
If I'm gonna be known around the world
I wanna because of you, girl
Nothin' wrong with the center of attention
Long as I'm with you, I don't mind the pictures
If I'm gonna be famous for somethin'
Girl, I wanna be famous for lovin' you
Famous for lovin' you
Yeah, I hope the first question people ask me
Is "How's your girl and how's your family?"
I could go on and on and on
Talkin' 'bout you for days
You can bet when I hear, "Congratulations"
Want it to be because we made it
Another five years
Best thing I got is right here Don't get me wrong, it's pretty cool to be on T.V
So all the folks back home can see me
And then I'm livin' it out
All the things I used to dream about
Yeah, it's pretty great, the playin' on a stage

Ooh, famous for lovin' you
Ooh If I'm gonna be famous for somethin'
I wanna be famous for lovin' you
If I'm gonna be known around the world
I wanna because of you, girl
And if I'm gonna go down in history
I hope it's all 'cause of you and me
If I'm gonna be famous for somethin'
Girl, I wanna be famous for lovin' you
Famous for lovin' you
Famous for lovin' you
