Close Enough for Love

Scott Dawson

You eat nuts and berries
I eat squirrel and deer
You drink bottled water
I drink bottled beer
You wear two inch black pumps
And I wear cowboy boots
Your closet is full of dresses
And I don't own a suit
But we're
Close enough for love
We don't have much in common but when
push comes to shove
Our hearts fit together like a hand in glove cause we're
Close enough for love

I love "Dirty Dozen"
You love "Blue Lagoon"
You love Bach and Mozart
I love Johnny and June
You gaze at constellations
And I howl at the moon
You love Audrey Hepburn
And I love Daniel Boone

You say ying I say yang
Friends say scrap the whole dang thing
Don't they understand the fact that opposites attract?
