Angels

Nanci Griffith

The touch of your hand will let me know
You take me in and let me go
If not for love why would we meet
How is it done two into one so easilyWe're lifted up by angels
Higher than the world
Strong enough to leave it
Bound to learn the secrets
Angels never heard
Close enough to heaven
Above the rain
Darkness cannot reach us
Let the angels teach us
Only love remains
We're lifted up by angelsYou understand yet never say
How every plan would fade away
If not for love where would you be
Ashes to dust water to rust away from meWe're lifted up by angels
Higher than the world
Strong enough to leave it
Bound to learn the secrets
Angels never heard
Close enough to heaven
Above the rain
Darkness cannot reach us
Let the angels teach us
Only love remains
We're lifted up by angelsWe're lifted up by angels
Given wings to fly
Leave the night behind us
Trust the light to find us
Even as we rise
We're lifted up by angelsClose enough to heaven
Above the rain
Darkness cannot reach us
Let the angels teach us
Only love remains
We're lifted up by angels
Higher than the world
Strong enough to leave it

Bound to learn the secrets
Angels never heard
We're lifted up by angels
