

Make Your Move

Teyana Taylor

Wale

I'm just tryna keep you flyer than you've ever been
And you the illest bitch alive, I'ma represent
And I could do without your pride, cause it do alot with mine.
If I'm that much on your mind you should catch a jet
Look, pardon me do, have an um ? never mind
Them other bums, couldn't see me with seven eyes
Forever my dressed code is several 9's
You're not an angel tell whoever that heaven lied
Blasphemy you're the only thing running getting cash from me
And you worth spend the money 'cause you glad for free
As she throw it back, I know you've been practicing
Ha Look, Double labbed jeans
Fortified up a couple bucks worth of sneakers
Trying to find a sister like a sister of Venus
She deserves bars on feeling misdemeanor
No need to fret girl you see that I'm the best
G.O.O.D double MG Connect
Leggings & sneakers she say she don't need no.
Heels for the evening, she turning her freak up
Her freak out
Money talk shout out them up town things with that funny walk
More clown, bubble post, you forever dope
Go Harlem, it's time to start the show
Teyana Taylor
Chorus
Ohhh Ah Ah
I can't sweat him
He's got the best of me
I gotta get him
Ohhh Ahhhh
Gotta forget him
He's got a hold on me
I gotta get him
Ohhhh
Tonight (tonight,tonight), I just can't deny you tonight (tonight tonight)
I can't shake the feeling inside (inside inside)
Feel it when I look in your eyes (that I, that I)
Gotta make that move(ha, ha, haaaa, ha, ha, ha, ha)

Aye
Now baby tell me your groove(ha, ha, haaaa, ha, ha, ha)
Ohhh noooooo
Make that move(ha, ha, haaaa, ha, ha)
Uh

Now baby tell me your groove(ha, ha, haaaa, ha, ha)
Hey
I may just let him(mmmha)
Take control of me
I gotta get him(ha, ha, ha, ha, ha)
Ohhh yeaaaah
I might just sweat him(mmmha)
Make a hold on me
I gotta get him(ha,ha,ha,ha)
ohhhhh

Tonight(tonight,tonight), I just can't deny you tonight (tonight tonight)
I can't shake the feeling inside (inside inside)
Feel it when I look in your eyes (your eyes, your eyes)
Make that move(ha, ha, haaaa, ha, ha, ha, ha)
Oh yea
Now baby tell me that groove(ha, ha, haaaa, ha, ha, ha)
Ohhh noooooo
That grove(ha, ha, haaaa, ha, ha)

Bridge

Boy I will never let you know
(I will never let you know that I can see)
The feeling that you give to me
(I gotta swallow my pride)
Baby no you make me weak
(I think that you just stole my heart I swear to you)
So baby won't you come with me
(I gotta swallow my pride)
Boy you like just what you see
(I will never let you know that I can see)
Come on and just make that move
(I gotta swallow my pride)
Baby I would be with you
(But I think that you just stole 7my heart I swear to you)
(I gotta swallow my pride)

Chorus
Tonight(tonight, tonight), I just can't deny you tonight (tonight tonight)

I can't shake the feeling inside (inside inside)
Feel it when I look in you eyes (that I)
Gotta make that move
Ohhhh Ooooo
