

Think Long

Modest Mouse

Ping-pong, ping-pong

Sit and think for a while and you'll realize that she'll still die

If you're not thinking at all I'm not sure why you don't know why Ping-pong, ping-pong

Sit and think for a while and you'll realize that she'll still die

If you're not thinking at all I'm not sure why you don't know why Ping-pong, ping-pong, ping-pong
