

Sinner (feat. Willie Nelson)

[Aaron Lewis](#)

So I sit here
In my hole
I hope the Lord can
Come save my soul'Cause I'm a sinner to my core
I ask forgiveness and nothing moreDarkness surrounds me
And I can't see
All of the demons
Right here with me'Cause I'm a sinner to my core
I ask forgiveness and nothing moreMy eyes are open
Now I can see
All of the damage
Brought on by meI'm a sinner to my core
And I ask forgiveness and nothing more'Cause I'm a sinner to my core
I ask forgiveness and nothing more
I ask forgiveness and nothing more
