

# From This Moment On

## Wayra

I just swear  
That I'll always be there  
I give anything  
And everything  
And I will always care  
Through weakness and strength  
Happiness and sorrow  
For better, for worse  
I will love you  
With every beat of my heart  
From this moment life has begun  
From this moment you are the one  
Right beside you is where I belong  
From this moment on  
From this moment, I have been blessed  
I live only, for your happiness  
And for your love, I give my last breath  
From this moment on  
I give my hand to you with all my heart  
I can't wait to live my life with you I can't wait to start  
You and I will never be apart  
My dreams came true because of you  
From this moment, as long as I live  
I will love you, I promise you this  
There is nothing, I wouldn't give  
From this moment on  
You're the reason I believe in love  
And you're the answer to my prayers from up above  
All we need is just the two of us  
My dreams came true because of you  
From this moment, as long as I live  
I will love you, I promise you this  
There is nothing, I wouldn't give  
From this moment, I will love you  
As long as I live from this moment on
