

Jump Down, Spin Around

Harry Belafonte

Gotta jump down, spin around and pick a bale of cotton
Gotta jump down, spin around and pick a bale a day
Gotta jump down, spin around and pick a bale of cotton
Gotta jump down, spin around and pick a bale a dayGotta jump down, spin around and pick a bale of cotton
Gotta jump down, spin around and pick a bale a day
Gotta jump down, spin around and pick a bale of cotton
Gotta jump down, spin around and pick a bale a dayI saw `skeeter on my head,
Blinked his eye and I killed him dead
Gotta jump down, spin around and weed a patch o`turnip
Gotta jump down, spin around and weed a patch a day
Gotta weed a patch o` turnip
Gotta jump down, spin around and weed a patch o`turnip
Gotta jump down, spin around and weed a patch a dayI saw a gal in calico,
She tripped and fell, and she didn`t say hello
Gotta jump down, spin around and cook a mess o`greens
Gotta jump down, spin around and cook a pot a day
Gotta jump down, spin around and cook a mess o`greens
Gotta jump down, spin around and cook a pot a day
Gotta cook a a pot a day
Gotta spin around, spin around and jump down
Gotta jump down, spin around and cook a mess o`greens
Gotta jump down, spin around and cook a pot a dayI got a pig who`s nice and greasy,
All you ladies shake it easy
Gotta jump down, spin around and tote a pail o` water
Gotta jump down, spin around and tote a pail a day
Gotta jump down, spin around and tote a pail o` water
Gotta jump down, spin around and tote a pail a dayLittle Sally jump down
Gotta tote a pail a day
Little Joe jump down
Gotta tote a pail a day
Little Sally jump down
Little Joe jump down
Gotta tote a pail a day
Gotta jump down
Gotta tote a pail a day
Gotta jump down
Gotta tote a pail a day
Gotta jump down, spin around tote a pail a day
Gotta jump down, spin around tote a pail a dayI don`t know but I`ve been told,

A gopher really don't live in a hole
Gotta jump down, spin around and sweat a pail o' water
Gotta jump down, spin around and sweat a pail a day
Gotta jump down, spin around and sweat a pail o' water
Gotta jump down, spin around and sweat a pail a day
Gotta sweat a pail a day?
Gotta jump down, spin around and cook a mess o' greens
Gotta jump down, spin around and cook a pot a day
Spin around, spin around, spin around, spin around
Spin around, spin around, spin around, spin around
Gotta jump down, spin around and sweat a pail o' water
Gotta jump down, spin around and sweat a pail a day
Gotta jump down, spin around and sweat a pail o' water
Gotta jump down, spin around and sweat a pail a day
