The Odyssey

Cascadeur

Stranger goes away, don't stop pure here
Try the world to be safe
It's sententious for your lifeStranger, don't forget my voice
Stranger, don't regret your choiceI'm not sure, I'm not sure to ride in cycle modes
I'm not sure, I'm not sure to feel bad and say come on
I'm not sure, I'm not sure to ride in cycle modes
I'm not sure, I'm not sure to feel bad and say come on
I must take my way
I must take the road
And goSo I smile
So eyes are looking on
So I smile
So eyes are looking onRead mind, the name was abrupt
They down and they call me the last man
Read mind, the name was abrupt
They sing and they call me the last man
Read mind, the name was abrupt
They down and they call me the last man
Read mind, the name was abrupt
They sing and they call me the last man
So real, my dear
Warnings are fake
So real, my dear
Warnings are fake
Don't try to frighten me
'Cause I'm free
