

# Wait and See

## Brandon Heath

I was born in Tennessee  
Late July humidity  
Doctor said I was lucky to be alive  
I've been trouble since the day that I got here  
Trouble 'til the day that I disappear  
That'll be the day that I finally get it right

Chorus:

There is hope for me yet  
Because God won't for-get  
All the plans he's made for me  
I'll have to wait and see  
'Cuz He's not finished with me yet  
He's not finished with me yet

I never really was that good in school  
I talked too much, broke the rules  
Teachers thought I was a hopeless fool all right  
I don't know how, but I made it though  
It's just one of those things that you gotta do  
I always had an act for telling the truth

(Chorus)

Still wonderin' why I'm here  
Still wrestlin' with my fears  
But oh he's up to somethin'  
And the farther on I'll go  
I'll see enough to know that I'm  
Not here for nothin'  
He's up to somethin'

He's not finished with me yet  
He's not finished with me yet

(Chorus)

He's not finished with you yet  
He's not finished with us yet  
He's not finished with us yet.
