

Determined to the End: An Undertale Song

Random Encounters

There's nothing left to fear
My work was never done...
I'm barely even here...
Fell down when I'd just begun...

Yet I stayed determined
Yes, I stayed determined
And I'll stay determined
...to the end

No flowers for my soul...
My followers are lost...
Yet all the lives I stole,
weren't enough for the final cost...

Yet I stayed determined!
Yes, I stayed determined!
And I'll stay determined...
...to the end

Am I fading away gain?
Will this darkness stay?

"The Man Who Speaks In Hands"
destroyed by one mistake...
But if you speak to Sans,
the you'll see what he tried to break...

Then I stayed determined!
Yes, I stayed determined!
And I'll stay determined...
...to the end.
