

Please Stay (Once You Go Away) [Alternate Mix]

Marvin Gaye

Stay baby, please stay
Don't go away baby
Please stay, please stay
(Stay) please stay baby
(Don't go away) don't go away
Don't go away I'm askin' you darlin' please stay (please stay, baby)
Please, don't go away baby
Please stay baby, please (stay)
Don't go away, no
I couldn't stand it darlin' I won't be able to sleep peacefully
In bed without you beside me darlin', darlin' anymore
No sugar, no I won't be warm and secure
Oh, baby, baby, baby, like I was before
Oh, baby I'll just lie tossin' and turnin'
(Tossin' and turnin', tossin' and turnin') baby, baby, baby
All night long, ooh-ooh
Scared that if I closed my eyes (ooh-ooh)
When I got ready to wake up (ooh-ooh)
I might find you gone Stay, baby please stay
Don't go away baby (don't go away)
Please stay (please stay)
'Cause I could never find nobody (stay, stay, stay)
Make me feel this way (don't go away)
No, sugar (please stay) For I never felt this way before
No, no sugar you did it
Oh, I never felt so good, honey, before
Oh, top of my head, tip of my toes
Oh I, never felt so good, oh before
No, sugar 'cause you dig it, you got it
Oh, I never felt so good before
Oh, I love you, I just love you Oh, now, I never felt so good before
Oh, I love ya
Oh, I never felt so good before
(I have never come)
(Come this way before)
(Oh, baby, oh, oh)
