

Blue Water Baboon Farm

Dave Matthews Band

Walking by the river's edge
Reach my hands to cup the sky
Run down my arms a bitter blue
Turn to red and the gashes grewThe river taste me
I'm so much more than I have ever been
Oh, oh, oh, ohTake this my arms
Take this my eyes
Take this my mouth
And God it seems to be
Completely true
Oh, oh, oh, oh...yeahWalking by the river's edge
Reach my hands to cup the sky
While on my arms a bitter blue
Turn to red and the grew
