

# Here I Am

## Air Supply

Here I am playing with those memories again  
And just when I thought time had set me free  
Those thoughts of you keep taunting me Holding you, a feeling I never outgrew  
Though each and every part of me has tried  
Only you can fill that space inside So there's no sense pretending  
My heart it's not mending Just when I thought I was over you  
And just when I thought I could stand on my own  
Oh baby, those memories come crashing through  
And I just can't go on without you On my own I've tried to make the best of it alone  
I've done everything I can to ease the pain  
But only you can stop the rain I just can't live without you  
I miss everything about you Just when I thought I was over you  
And just when I thought I could stand on my own  
Oh baby, those memories come crashing through  
And I just can't go on without, go on without  
It's just no good without you Without you  
Without you  
Without you  
Without you  
Without you  
Without you
