

# Simple Love Song

Ringo Starr

Oh my, I'm riding so high,  
I keep telling myself that you love me.  
Oh my, I'm up in the sky,  
But I still see you so far above me. Cheap thrills, well, I've had my fill,  
They just empty your heart and your pocket.  
Oo-wee, well, it's good to be  
Riding your love like a rocket. Well, I hope you understand,  
But now I'm just a one woman man.  
Before the sun goes down,  
Oh, I wanna see you,  
Oh, I wanna see you again. Right now, I still wonder how,  
I keep asking myself am I dreaming?  
We two, it's just me and you,  
You have given this song a new meaning. Well, I hope you understand,  
But now I'm just a one woman man.  
Before the sun goes down,  
Ooh, I wanna see you,  
Ooh, I wanna see you again. Right now! (Doo-doo-doo-doo, doo-doo-doo-doo, it's a simple love song)  
(Doo-doo-doo-doo, doo-doo-doo-doo, it's a simple love song) (Mm-mm-mm, simple love song)  
(Mm-mm-mm, simple love song) We two, it's just me and you,  
Keep on wearing my love like a locket.  
Sweet thing, well, I buy a new ring,  
If that's what it takes, then you got it. (Doo-doo-doo-doo, doo-doo-doo-doo, it's a simple love song)  
(Doo-doo-doo-doo, doo-doo-doo-doo, it's a simple love song)  
(Doo-doo-doo-doo, doo-doo-doo-doo, it's a simple love song)  
(Doo-doo-doo-doo, doo-doo-doo-doo)  
It's a simple love song,  
(Doo-doo-doo-doo, doo-doo-doo-doo)  
It's a simple love song,  
(Doo-doo-doo-doo, doo-doo-doo-doo)
