

# Down in the Dirt ft. Martin Carlberg

## oomiee

Iâ€™m a real bad boy  
I got a ton of gravel  
In my shoe  
Girl on my shoulder  
Heart full of booze  
Down in the dirt  
Down in the dirt

(Music)

Iâ€™m a real bad boy  
On the town all night  
Start coming down in the morning light  
Down in the dirt  
Down in the dirt

Mmmmmmmm

Been a real bad boy

Iâ€™m a real bad boy  
On the town all night  
Start coming down in the morning light  
Down in the dirt  
Down in the dirt  
Down in the dirt  
Down in the dirt
