

You Got Caught

Kevin Drew

I don't believe that the world isn't right
Garden of Eden died on design
Ours is completed ours is declined
Come on baby love me tonight So if you can kneel with a whore and decide
(You got caught)
Crumble the buildings with lust and desire
(You got caught)
Despicable people despicable minds
(You got caught)
Come on baby love me tonight
(You got caught) I'm only living for the fourteenth line baby
fourteenth liner
I never see you try to reach my kind baby
reach my mind for
I'm only living for the hurt in time, the hurt I hire
Can you take me to the worst on time baby worst on time Well I don't believe that world isn't right
Bottomless feeding and taste of the wine
Give me a throne and now give me desire
(You got caught)
Come on baby love me tonight I'm only living for the fourteenth line baby
fourteenth liner
I never see you with a mouth that cries baby
mouth like crier
I'm only leaving cause I know me kind, I know I'm hired
So take me down with the worse than mine
baby worse than mine Come on baby love me tonight
(You got caught)
