

Post Enebriated Anxiety (live)

Grinspoon

Looks like dem baddies got bloated
Blinking big red sticking ball
Your hunting over exposure
I'm doing nothing at all I need a little bit
A little bit
A little bit I need a little bit
A little bit
A little bit Eye needle bit
Eye needle bit
Give me a hit Slack me a laxative donor
My white teeth work chemistry
That dog can bark all it want's to
I needle bit can't you see? I need a little bit
A little bit
A little bit I need a little bit
A little bit
A little bit Eye needle bit
Eye needle bit
Give me a hit I need a hit
Is it worth it? just a little bit, little bit, little bit Yeah I need a little bit, a little bit, a little bit
Yeah I need a little bit, a little bit, a little bit
Give me a hit!
