

Control

Collie Buddz

For all my failures please dont judge me im trying my best to work it out mi nah beg no favours gwaan go
grudge it dont affect mi wen yuh run yuh mouth as I climb up the ladder its I dem rudda fall down instead mi
move up inna disyah time yah I learn my lesson If I dont like I cut it off
when you are up its like they say you're in control yeah you know and looks like this life its taking its toll coz
everything has a price
