

# You Can't Teach an Old Dog New Tricks

## Seasick Steve

You can't teach an old dog new tricks

Must be something wrong with me  
What it is I can't quite see  
I can't seem to do nothing right  
Man, I need to change my style  
Been this way for a long long while  
Maybe there's a few things I oughta fix

Can you teach an old dog new tricks

Put a little fire, in my life  
Climb a little higher, that is right  
Tired of this ordinary bull shit  
Man, I need to change my style  
Been this way for a long long while  
Maybe there's a few things I oughta fix

Can you teach an old dog new tricks

guitar solo

Can you teach an old dog new tricks

Well, that right  
Maybe I should leave well enough alone  
I might not be perfect but I'm me to the bone  
I need to change my style  
Been this way for a long long while  
There ain't nothing that I got to fix

You can't teach an old dog new tricks  
You can't teach an old dog new tricks  
You can't teach an old dog new tricks

You can't teach an old dog new tricks  
You can't teach an old dog new tricks  
You can't teach an old dog new tricks  
You can't teach an old dog new tricks  
You can't teach

You can't teach
