

# A Girl Like Me

Rihanna

Some girls play the game  
They all walk and talk  
And they dress the same  
Nothin' new to say (new to say)  
Don't they realize  
That it's so easy to see  
Right though there disguise  
Makes me wonder why  
When the whole world's turnin' left  
It's when I'm goin' right  
I need someone to let me be  
Just who I am inside 'Cause a girl like me  
Is just a little different from all the rest  
And a girl like me  
Never gonna settle for second best  
Could it be a boy like you  
That would give me anything  
If I asked him to  
To take all my dreams  
And then make 'em true  
Show me all the reasons that you ought to be  
With a girl like me (a girl like me)  
Just like me  
Possibility  
Got me trippin'  
Thinkin' of what could be  
Between you and me  
Still I need to know  
Should I keep this feelin'  
Or let it go  
I can't wait no more  
So now's the time  
To speak your mind  
And show me what you feel  
So tell me if you  
Wanna take a chance  
On something real 'Cause a girl like me  
Is just a little different from all the rest  
And a girl like me  
Never gonna settle for second best

Could it be a boy like you  
That would give me anything  
If I asked him to  
To take all my dreams  
And then make 'em true  
Show me all the reasons that you ought to be  
With a girl like me (a girl like me)  
Like me  
Just like meMirror mirror on the wall  
Catch me now before I fall  
I wish I may, I wish I might  
Find the answer here tonight  
Mirror mirror on the wall  
Catch me now before I fall  
I wish I may, I wish I might  
Find the answer here tonightWhen the whole world's turnin' left  
It's when I'm going right  
I need someone to let me be  
Just who I am inside'Cause a girl like me  
Is just a little different from all the rest  
And a girl like me  
Never gonna settle for second best  
Could it be a boy like you  
That would give me anything  
If I asked him to  
To take all my dreams  
And then make 'em true  
Show me all the reasons that you ought to be  
With a girl like me  
Just like me (just like me)Mirror mirror on the wall  
Catch me now before I fall  
I wish I may, I wish I might  
Find the answer here tonight'Cause a girl like me  
Is just a little different from all the rest  
And a girl like me  
Never gonna settle for second best
