

# Sweet Deception

**Laura Gibson**

Sweet deception  
Oh cruel, cruel, cruelest comfort  
I have known the first  
I have known the last  
Of your kind  
Sweet deception  
My one consolation  
Shall I find my rest  
In the quietest  
Of lies  
Sweet deception  
My best, my best intention  
Are you a keeper of names  
A bearer of sins  
Do you hide yourself  
In bones and sin  
Oh sweet deception  
Sweet deception  
Most careless of those  
Shall I call your name  
Or learn to be  
Alone
