

Conqueror

Estelle

Life is like a big merry-go-round
You're up and then down
Going in circles tryin' to get to where you are
Everybody's been cutting you out
But where are they now?
Sitting in the same old place
Just faces in the crowd
We all make mistakes
You might fall on your face
But you gotta get up! I'd rather stand tall
Than live on my knees
'Cause I'm a conqueror
And I won't accept defeat
Try telling me no
One thing about me
Is I'm a conqueror
I am a conqueror
Ooh oh Got a vision that no one else sees
Lot of dirty work, roll up your sleeves
Remember there's a war out there
So come prepared to fight!
You never know where the road leads ya
Not everyone's gonna believe ya
And even though they're wrong,
Don't prove 'em right I'd rather stand tall
Than live on my knees (Can't live on my knees)
'Cause I'm a conqueror
And I won't accept defeat
Try telling me no
One thing about me
Is I'm a conqueror
I am a conqueror
Oh oh (Ooh ooh) I am a conqueror We all make mistakes
You might fall on your face
But you gotta get up!
We all make mistakes
You might fall on your face
Don't ever give up! I'd rather stand tall
Than live on my knees

'Cause I'm a conqueror
And I won't accept defeat
Try telling me no
One thing about me
Is I am a conqueror
I am a conqueror
Oh oh I am a conqueror, oh no We all make mistakes
You might fall on your face
But I am a conqueror
