

Vampire

Cloudeater

I am in love with the beautiful being
the way she hurts me is such a lie
of the winter summer spring
but I only get to love her tonight
I am her how, she's my perside
it might be wrong but it feels so right
I'm living a Prove don't you be to see
that is wor than my vampire
oh I'm know your hungry baby
but don't you eat me up don't you eat me up
oh no
oh no
I'm know your hungry baby
but don't you eat me up, don't you leave me up
oh no
it's getting harder and harder to breathe
but I don't think she notices then
it's getting more and more plain to see
the more and more of me she gets
my heart doesn't lose it
in my forehead is starting to swear
I close my eyes and accept to me
as I die because you love me to death
the Vampire, oh no
I know you're hungry baby
but don't you eat me don't you leave me up oh no
oh no
oh no
oh I know you're hungry baby
oh but don't you eat me on don't you leave me up love
yeah yeah yeah
wo wo wo wo wo
and I don't want to spread the news
that it feels was good getting used
I you just keep on using me
I'm going use me oh, oh, oh
oh you use me all, all, all
oh you use me all, all, all
oh you use me all, all, all

yeah yeah yeah
yeah yeah yeah
yeah yeah yeah
oh no
yeah yeah yeah
yeah yeah yeah
yeah yeah yeah
oh, I'm know your hungry baby
but don't you eat me up don't you eat me up
oh no
oh no
oh no
I'm know your hungry baby
I know you eat me up, don't you eat me up
oh no
oh no yeah
yeah yeah yeah
yeah yeah yeah
yeah yeah yeah
yeah yeah yeah
yeah yeah yeah
yeah yeah yeah
yeah yeah yeah
yeah yeah yeah
