

# Makin' It Last All Night (What It Do)

## Mariah Carey

Got me fly and sexy  
Something in you gets me  
So tingley inside  
Visions of us in the cut tonite  
And I find you so appealing  
Definitely feeling you.  
If you didn't know  
Boy you're the secret I've never told Betch think I'm teasin'  
But I ain't got no reason  
To deny  
The way I feel inside, tonight  
I just want to touch you  
Put my hands on you and love you  
You'll be like I want you  
Over and over and over and over again What it look like  
Me and you making last all night  
What it do (what it do)  
My heart is beating faster all the time  
What it look like  
Boy you don't even know everything that flows through my mind  
What it do (what it do)  
Oh, boy what you gonna do about it Listen I got stacks like  
The international house of pancakes  
Your man great out more robes than a lan me  
I make hits and I don't care about your damn hates  
Can't stop doing it , I just do it for the fans sake  
You know this man take trips to japan  
Tell him to try to run out away  
What would I land on  
Oh ya mia stopin'zing zang stopin'  
You woke up again and your chart I'm toppin' That's how I do it  
What must I say  
What must I do  
To show how much  
I think about freakin' you  
What must I say  
What must I do  
To show how much  
I think about freakin' you Tonight, I need your body (I need your body baby)

Tonight, you got my time (every little second of my time)  
Tonight, you won't be sorry (no you won't be sorry baby)  
Tonight, you gon' be mine  
(C'mon) Betcha think I'm teasin'  
But I ain't got no reason  
To deny  
The way I feel inside, tonight  
I just want to touch you  
Put my hands on you and love you  
You'll be like I want you  
Over and over and over and over again What it look like  
Me and you making last all night  
What it do  
My heart is beating faster all the time  
What it look like  
Boy you don't even know everything that goes through my mind  
What it do  
Oh, boy what you gonna do about it What it look like  
Me and you making last all night  
What it do  
My heart is beating faster all the time  
What it look like  
Boy you don't even know everything that goes through my mind  
What it do  
Oh, boy what you gonna do about it
