

Tears (Dezrock Club Mix)

Rockell

So when were you planning to tell me?
When did you know it for sure
That you didn't want my love
That you didn't need me anymore? Did you promise to love her forever?
Did you tell her how happy she wouldn't be?
Did she believe all the lies?
Did you tell her about me? Tears are all that she has now
Now that she has you
You're gonna feel the pain someday
When it comes back to you Will you remember tomorrow
How we sleep tonight?
Knowing how you hurt
That what you're doing isn't right Are you leading her on with your kisses
And words of what could be?
Leaving a flower so
She could fall for all to see Tears are all that she has now
Now that she has you
You're gonna feel the pain someday
When it comes back to you Tears are all that she has now
Now that she has you
You're gonna feel the pain someday
When it comes back to you The tears, the tears are falling
But your time I know is coming
What you do today
Will come back and you will see
What it feels to be in tears The tears, the tears are falling
But your time I know is coming
What you do today
Will come back and you will see
What it feels to be in tears Tears are all that she has now
Now that she has you
You're gonna feel the pain someday
When it comes back to you Tears are all that she has now
Now that she has you
You're gonna feel the pain someday
When it comes back to you Tears are all that she has now
Now that she has you
You're gonna feel the pain someday

When it comes back to you
