

Time for Love

The Archies

Sunshine, shining brightly
Clouds are smiling up above
My heart is singing lightly
Time, time, time for love My mind is barely working
All the things I'm dreaming of
My heart's a clock tick ticking
Time, time, time for love Oh, oh, yesterday I was sad
(So sad)
Everything looked so bad
Every hour was pretty blue
Till the minute I met you
Now
(Now)
The day's worth spending
We're together hand in glove
We've got never ending
Time, time, time, time, time for love Yesterday I was sad
(So sad)
Everything looked so bad
Every hour was pretty blue
Till the minute I met you
Now
(Now)
The day's worth spending
We're together hand in glove
We've got never ending
Time, time, time, time, time for love
