

# Succ

## CarbonMineoxide

you are like a baby  
watch this  
SUCC  
I woke up one morning  
and I said to myself,  
I'm going to take this book  
and put it on my shelf  
I don't care what you think  
I'm living my life  
I don't even care if you die without a life  
SUCC
