Queen Of The Scene

Hot Chelle Rae

She's sophisticated
Or so she seemed
This place is over-rated
But it's the place to beShe never comes alone
And everyone's her friend
Her home away from home
Well she thinks she's looking classy but it's easy to seeThat she shines like a diamond
Thinks she's a queen
When she's hanging on the shoulders of cocaine kings
She's got a lot of daddy's money
And a line on the sink
So she thinks
She's the queen of the sceneShe's in the V.I.P
The envy of their fans
Thinks she's the city's elite
Because she's up with the bandShe's high atop her throne
With the crown in hand
Well she can't feel her pretty face
Well she's looking down upon you but the bitch can barely stand'Cause she shines like a diamond
Thinks she's a queen
When she's hanging on the shoulders of cocaine kings
She's got a lot of daddy's money
And a line on the sink
So she thinks
She's the queen of theThe train-wrecks
It's off track
Her nose bleeds
She's smashed
She cant see what she's had
It doesn't really matter 'cause she never looks backShe shines like a diamond
Thinks she's a queen
When she's hanging on the shoulders of cocaine kings
She's got a lot of daddy's money
And a line on the sink
So she thinks
She's the queen of the scene
She's the queen of the scene
